

How you can get involved

There are many ways you can help promote integration and be part of the Walsall for All programme:

Play your part in bringing communities together by attending activities or events in your local area.

Create a movement for positive change by starting your own campaign or project.

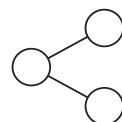

Have your voice heard by taking part in Community Dialogue sessions.

Share your story of living, working or learning in Walsall or examples of integration in your local community using the #WalsallForAll hashtag.

Link up with one of our projects in your area and volunteer to help make a difference in the community.

Share our work on social media and subscribe to receive regular email updates about the programme.

Engaging, Enabling & Empowering

Communities and Individuals in Walsall

About us

Our vision is to create integrated, empowered and inclusive communities where people from all backgrounds come together to celebrate what they have in common. A place where our residents are safe and valued, and everyone has fair opportunities to fulfil their potential and contribute to the growth of Walsall.

Walsall for All aims to create strong and integrated communities in Walsall. Our long-term plan recognises our strengths as well as our challenges and sets out the steps we will take to break down barriers to integration.

Integration can be defined as where people – whatever their background – live, work, learn and socialise together.

In March 2018, Walsall was chosen as one of five areas to work with the Ministry of Housing, Communities and Local Government to look into different approaches to integration. The other four areas are Blackburn with Darwen, Bradford, Peterborough and Waltham Forest.

A thriving and integrated Walsall will see different communities flourishing and coming together, divisions being overcome and everyone able to fulfil their potential and contribute to Walsall.

We believe Walsall for All is an exciting opportunity for residents, communities and organisations to share experiences and work together to develop shared goals and a vision.

Connecting across Communities

Making Walsall a vibrant and diverse place where people come together to share what they have in common, form friendships and take part in honest and open conversations about integration.

#ConnectingCommunities

Young People Learning and Growing Together

Providing opportunities for young people in Walsall to make friendships, raising aspirations and empowering our future generations to take social action and make a difference.

#YoungPeopleTogether

Working and Contributing Together

Increasing opportunities for people to contribute to Walsall through work, volunteering or training, access English language programmes and supporting businesses and workforces to promote integration.

#WorkingTogether

Living Together

Ensuring everyone has good quality housing, making Walsall a good place to live, understanding rights and responsibilities, preventing hate crime and supporting people to live together in harmony.
